At Raven's Lair, we believe that all adults should have access to adult sexual information that is safe, accurate, and explicit. Good sex is not an activity that we know instinctually, it is an art that needs to be learned and developed.

Attitudes & Values

Examine your values and attitudes. Write down what you value and attitudes you have formed in your life. How are these attitudes and values serving you? Are there negative attitudes and values that are sabotaging your life experience? What new attitudes can you adopt that would serve you better? As you examine your attitudes, focus on how you approach life. Is life a sense of adventure or filled with duties that you have to perform? Do you make time to experience your passions and desires? How would you like to change your attitudes and values so that they serve you better?

A sex positive alter is a great way to improve attitudes and values around sex.

Below make a list of attitudes and values. Include things you value and things you would like to value.
